## LICENCE COMPARISON TABLE

### Purpose of each Licence Protocol

<i>AEShareNet-FfE</i>	<i>AEShareNet-U</i>	<i>AEShareNet-S</i>	<i>AEShareNet-P</i>	<i>AEShareNet-C</i>	<i>AEShareNet-E</i>
<p><b>Free for Education.</b> Material with <i>AEShareNet-FfE</i> Licence Mark may be freely used and copied - but not supplied to the public. Scope of Licence is limited to Educational Purposes. This Regime is suitable for website content or Material created for advertising or promotional purposes.</p>	<p><b>For Unlocking Content.</b> Material with <i>AEShareNet-U</i> Licence Mark may be freely used, copied, adapted and distributed. Limited warranty. Enhancements not attributed to copyright owner. Suited to Material of marginal value, which does not require active copyright management or consolidation of versions.</p>	<p><b>Standard Licence Regime for Sharing and Returning</b> improvements. Material with <i>AEShareNet-S</i> Licence Mark may be freely used, copied, adapted and distributed. But copyright in any Enhancements consolidates with the owner. Encourages adaptation, whilst reducing fragmentation of ownership of different versions.</p>	<p><b>For Preserving Integrity.</b> Material with <i>AEShareNet-P</i> Licence Mark may be freely used, copied and distributed - in original form only. Suited to Material which derives value from completeness or consistent form, eg, policy documents, research reports, speeches, curriculum documents and training packages.</p>	<p><b>Commercial Licence.</b> Requires Registration. Material Registered under <i>AEShareNet-C</i> may be used, copied, adapted and distributed. But Licence conditions may be customised by the Licensor. Eg, Licence Fee and/or Royalties may be applied to re-publication activity under the Licence.</p>	<p><b>End-user Licence.</b> Suited to software, learning objects or other commoditised products, to be used by Licensee - but not supplied to the public. Material Registration may list multiple deliverables; Licensor selects quantity of each Item. Conditions of a Licence deliverable may be customised in Item Description.</p>
